

**CERTIFICATE OF CLEARANCE
OF UNCOLLECTIBLE TAXES NO. 092616
PURSUANT TO A.R.S. § 42-19118**

The Pinal County Treasurer has made a determination that the taxes due and owing to Pinal County contained in the attached report are not collectible. The report contains the names of persons liable for the taxes; a listing of the property which includes mobile homes and/or business personal property which could not be located or was deemed to have no value; the delinquent dates of the taxes; and the years and amounts of taxes owed, including interest and penalties. I have no information which would indicate that any lien(s) exist on these items of property.

The Pinal County Sheriff, by and through his Deputy, David Kuykendall, Badge No. 2153, has submitted an affidavit as required by statute verifying the property could not be located or the such property is in such a condition as to have no value.

Therefore, the Pinal County Treasurer requests the taxes be deemed uncollectible and that this Certificate be approved by the Pinal County Board of Supervisors in order that the taxes may be removed from the tax records.
